RENEWED PETITION UNDER 37 C.F.R. §1.47(a)

Mail Stop PCT
Commissioner for Patents
Attn: Office of PCT Legal Administration
P.O. Box 1450
Alexandria, Virginia 22313-1450

Dear Commissioner:

In response to the Decision On Petition mailed August 21, 2009, Applicant hereby submits this Renewed Petition Under 37 CFR § 1.47(a) to accept the application by the signing joint inventors, Jih Cheng Lin, Dennis John Buening, Radoslav Bokun, David James Krysiak, Daniel E. Wenglinski, Juliusz Kirejczyk, Luc R. Regnier, David Legault, and Douglas G. Broadhead, on behalf of themselves and on behalf of non-signing joint inventor, Manfred Fritsch, who refuses to join in the application. The Commissioner is hereby authorized to charge any additional fees associated with this Communication to Deposit Account No. 50-1759.

In addition to the facts set forth in the Petition under 37 CFR § 1.47(a) dated June 11, 2009, the undersigned hereby sets forth the following statement of facts establishing that non-signing joint inventor, Manfred Fritsch, refuses to join in the application:

1. Jih Cheng Lin, Dennis John Buening, Radoslav Bokun, David James Krysiak, Daniel E. Wenglinski, Juliusz Kirejczyk, Luc R. Regnier, David Legault, and Douglas G. Broadhead each executed a separate Declaration and Power of Attorney under 37 C.F.R. § 1.497 for the above-captioned U.S. national stage application. The signing joint inventors signed the Declaration on their own behalf and on the behalf of Manfred Fritsch. A copy of each of the nine partially executed Declarations is included at Attachment 1.

2. The undersigned sent a cover letter of instructions requesting that Manfred Fritsch execute and return a Declaration and Power of Attorney for Patent Application for the above-captioned U.S. national stage application. Enclosed with the cover letter was the Declaration and complete U.S. national stage application, including the specification and drawings. The cover letter and enclosures were sent to Manfred Fritsch at P.O. Box 37, St. John, VI 00831-0037 via Certified Mail – Return Receipt Requested on January 30, 2007. The second cover letter included a statement that “your failure to respond will be treated as a refusal to sign the Declaration.” A copy of the cover letter is included at Attachment 2.

3. The above-mentioned cover letter and enclosures that were sent to Manfred Fritsch were delivered on February 7, 2007 as indicated on a signed Return Receipt. A copy of the signed Return Receipt is included at Attachment 3.

4. The undersigned has not received a signed Declaration from Manfred Fritsch. Based on the statement in the cover letter that “your failure to respond will be treated as a refusal to sign the Declaration” and that a signed Declaration from Manfred Fritsch has not been received, it is evident that Manfred Fritsch has refused to join in the application.

Manfred Fritsch’s last known address is P.O. Box 37, St. John, VI 00831-0037. Manfred Fritsch has refused to join in the application. Applicant respectfully requests that the

Commissioner accept the efforts of the Applicant and allow the Applicant to prosecute the application to its best ability as the application is an asset of the Applicant.

I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application, any patent issuing thereon, or any patent to which this Petition is directed.

Respectfully submitted,
